## Quality Policy

IBE School is committed to providing an unmatched English educational service to inspire and empower children to accomplish English language skills. It takes relevant educational, scientific and technical developments of children who engage with us into account.

Our primary commitment is fulfilling all needs & expectations of all our valued interested parties beyond their satisfaction. Moreover, IBE management is always committed to satisfying social responsibility elements applied in our operation & we consider managing intellectual properties as one of utmost responsibilities of IBE family.

This is supported by a progressive management style that encourages a quality culture throughout the institute. To reinforce this aspiration, ISO 9001:2015 based a quality Management system operates within the institute. We, IBE team is aiming to fulfilling all applicable requirements of ISO 9001:2015 standard subscribed to our operation.

IBE management focuses on continuous improvement of institute's QMS by establishing & reviewing quality objectives which are derived based on commitment set in policy. This is to ensure that, the department operates effectively & efficiently beyond customer needs & expectations.
